Nippon Light Metal Company, Ltd.

Please Be Cautious of Suspicious Emails Pretending to Be from Nippon Light Metal

We have identified cases of suspicious emails using the Nippon Light Metal company name or pretending to be from NLM employees, mainly overseas.

The emails are sent from an email address that appears to be that of an NLM employee. However, these emails were not sent by NLM or the NLM Group.

Addresses from Which Suspicious Emails Are Sent:

○○○○○@nipponlightmetal.com

The above domain name is not used by NLM or the NLM Group.

If you receive emails with unfamiliar content or subject lines, etc., please do not click on any URLs in the bodies of the emails or open any attachments. Doing so could result in infection with a virus, being directed to a phishing website, or unauthorized access. Instead, please delete each of the suspicious emails.
